Sponsorship Packages

The Transport Research Centre, University of Technology Sydney (UTS) on behalf of the ISSMGE Technical Committees, TC202, 211 & 307 and supported by Australian Geomechanics Society (AGS) is proud to host the 5th International Conference on Transportation Geotechnics (ICTG 2024) which will be held in Sydney, Australia, on 18-20 November 2024.

This conference will focus on the current challenges associated with transport infrastructure development and will act as a platform to disseminate the most recent research and field advances to the engineering community. Presentations from leading experts, professionals, and industry specialists will display technical advances and experience related to transport infrastructure. Keynote and Invited lectures from world-renowned experts in transport infrastructure will add value to the technical skills of all participants. The conference will act as a platform for delegates to share the issues, knowledge transfer, and to learn the impact of emerging and sustainable technologies. The conference will include the ISSMGE's 5th Proctor Lecture, 8 Keynote speakers, 2-3 Bright Spark Lectures, and State of the Art, State of Practice and Heritage presentations.

The Conference will offer suppliers, contractors, engineering geologists and civil, geotechnical consultants a unique opportunity to promote their research, products and services to a wide cross-section of universities and industry, through sponsoring the Conference.

SPONSORSHIP: AN INTRODUCTION

Benefits of partnering with the 5th International Conference on Transportation Geotechnics 2024:

- Maximum exposure at the premier conference dedicated to transportation geotechnics information exchange.
- High profile exposure to an influential audience of decision-makers and industry professionals.
- Unique opportunity to promote your company, showcase new products and services and build databases of prospective customers.
- High visibility on the official conference website and marketing materials.
